PRODUCT DESCRIPTION

Highlight artwork, framed photography, mirrors, and architectural features with the **Twin Arm**

Solid Brass Picture Light. Crafted from solid brass, this wall-mounted fixture pairs graceful swan-neck twin arms with a classic cylindrical reflector shade to cast focused, glare-free illumination across your wall display.

Designed with both aesthetics and practicality in mind, the twin arms are fitted with adjustable swivel joints and thumbscrews, allowing you to angle the shade precisely to suit the height and depth of your frame. The rectangular wall back-plate features discreet side-fixing screws for a clean, flush installation.

This Solid Brass Picture Light is ideal for residential interiors, galleries, hotels, restaurants, and heritage commercial spaces, this picture light brings timeless character and reliable performance to any scheme.

Solid Brass Picture Light Key Features

- **Solid Brass Construction:** Built from heavy-gauge solid brass for durability and lasting quality.
- **Adjustable Light Direction:** Twin swan-neck arms with precision swivel knuckles and thumbscrews let you direct light exactly where needed.
- **Cylindrical Shade:** Smooth tubular shade with rolled-edge end caps directs warm, even light downward onto artwork while shielding the bulb from direct view.
- **Bespoke Finishes:** Available in six hand-applied finishes to complement traditional and contemporary interiors:
    - **Antique Brass**
    - **Polished Brass** *(shown)*
    - **Satin Brass**
    - **Bronze**
    - **Pewter**
    - **Raw Brass**
