PRODUCT DESCRIPTION

Introducing our **Twin Globe Flush Light**, illuminate your interior with the bold architectural silhouette of this **Twin Globe Flush Light**. Stacking two glowing opal acrylic globes within a sleek brass frame, this fixture seamlessly bridges mid-century modern flair and contemporary minimalism.

The rich brass finish offers a warm visual contrast against the smooth, matte surface of the diffusers. Crafted from durable, lightweight opal acrylic, the twin spheres filter light evenly to eliminate glare and flood your room in a warm ambient glow. With its streamlined flush-mount canopy, this statement fitting delivers vertical drama and high design without requiring high ceiling clearances—making it an exceptional choice for entryways, hallways, bedrooms, and dining spaces.

Key Features

- **Sculptural Design:** Vertically stacked dual-globe layout framed in brass bands for an iconic, modern look.
- **Diffused Ambient Illumination:** High-grade opal acrylic spheres deliver soft, uniform light

output throughout the room.

- **Versatile Profile:** Flush/semi-flush mounting ensures maximum impact while remaining practical for standard ceiling heights.
- **Durable Construction:** Lightweight, shatter-resistant acrylic globes paired with solid metal framing built for longevity.

Specifications
