PRODUCT DESCRIPTION

CYLINDRICAL SOLID BRASS DOWNLIGHT

Bring understated elegance and focused illumination to your interior with our **Cylindrical Solid Brass Downlight Wall Light**. Designed with clean architectural lines and a beautifully proportioned cylindrical shade, this contemporary wall light combines minimalist styling with the warmth and character of traditional solid brass craftsmanship.

The distinctive cylindrical downlight is suspended from a compact brass arm and circular wall plate, creating a refined silhouette that works effortlessly in both modern and classic interiors. The downward-facing design provides focused ambient illumination, making it ideal for corridors, bedrooms, living spaces, hotel interiors, restaurants and other hospitality environments.

Crafted from **solid brass**, this premium wall light offers exceptional durability and develops a unique character over time. Its simple yet sophisticated design allows the beauty of the material to take centre stage, making it a versatile choice for luxury residential and commercial lighting schemes.

Perfect as a standalone feature or installed in pairs along a hallway or beside a bed, the Cylindrical Solid Brass Downlight delivers timeless style with practical directional lighting.
