7-TIER SMOKEY GLASS CHANDELIER

Make a breathtaking design statement with our **7-Tier Smokey Glass Chandelier**. Striking a flawless balance between mid-century glamour and contemporary drama, this show-stopping centerpiece is designed to command attention in any room.

CAPTIVATING DESIGN & CRAFTSMANSHIP

The chandelier features seven cascading tiers of fluted, cylindrical glass tubes. Finished in a sophisticated **smokey tint**, the glass catches the light beautifully, casting a sultry, ambient glow while subtly concealing the bulbs within. The tiered, structural silhouette creates an architectural

diamond-like profile that adds depth and volume to high ceilings.

LUXURIOUS ACCENTS

Gleaming beneath the moody, smoked glass is a high-shine, **polished brass hardware frame**. The juxtaposition of warm, reflective brass and cool, dark glass delivers an ultra-luxurious aesthetic. The chandelier is suspended from a matching polished brass chain and a sleek, flared ceiling rose, ensuring every detail from top to bottom is visually stunning.
