## PRODUCT DESCRIPTION

Illuminate your artwork, framed prints, and gallery walls with timeless elegance using our

handcrafted classic Solid Brass picture light. Featuring a sleek cylindrical shade supported by double curving arms and fully adjustable knuckle joints, this fixture allows you to precisely direct light onto your prized canvases and photographs while adding an air of refined sophistication to any interior.

Designed for both residential and commercial spaces, this bespoke luminaire accommodates **two E14 (SES) lamp holders**, delivering balanced, uniform illumination across medium-to-large frames.

## Key Features & Craftsmanship

- **Classic Adjustable Design:** Equipped with smooth swivel joints and dual arms, allowing you to easily adjust the angle of the light beam to eliminate glare and highlight every detail of your artwork.
- **Dual E14 Lamp Holders:** Fitted with 2 x E14 lamp holders, compatible with energy-efficient LED SES bulbs (bulbs not included) to create a warm, gallery-grade ambience.
- **Handcrafted Quality:** Meticulously engineered from premium materials with durable construction and fine mechanical detailing.
- **Versatile Styling:** Perfectly complements both traditional period properties and modern minimalist interiors, making it an ideal choice for living rooms, hallway galleries, studies, and boutique hospitality venues.

## Available Finishes

Tailor the fixture to seamlessly match your interior hardware scheme. This picture light is available in a comprehensive selection of bespoke metal finishes:

- **Antique Brass:** Rich, aged tones that add instant vintage warmth and heritage character.
- **Polished Brass:** High-shine, reflective finish that brings classic luxury and a touch of regality.
- **Satin Brass:** Subtle, brushed texture offering a contemporary take on classic brass.
- **Bronze:** Deep, earthy dark tones ideal for moody, sophisticated design palettes.
- **Pewter:** Cool, industrial-leaning metallic grey with a tactile, muted sheen.
- **Raw Brass:** Unlacquered and unfinished, designed to naturally oxidise and develop a unique, living patina over time.
