PRODUCT DESCRIPTION

Dual Marble & Bronze Wall Light

Sculptural geometry meets rich natural stone texture in this architectural bronze wall light. Crafted with two stacked cylinders of polished, uniquely veined natural marble separated by refined dark bronze accents, this fixture serves as a bold decorative feature even when switched off. The organic black, dark grey, and soft olive veining flowing through the stone ensures that every single piece is genuinely one-of-a-kind.

Designed to cast a warm wash of light both upwards and downwards, this piece brings depth, verticality, and understated elegance to modern and classic interiors alike.

Key Features

- **Unique Natural Stone:** Every cylinder is cut from genuine polished marble featuring distinct natural veining—no two fixtures are identical.
- **Refined Metal Detailing:** Framed with antique bronze trim caps and a matching central band that anchors the dual-cylinder design.
- **Bidirectional Light:** Dual-directional illumination casts clean architectural washes of light onto the wall surface above and below the fitting.
- **Seamless Mounting:** Includes a matching circular bronze backplate engineered for a clean, secure flush mount.
- **Versatile Styling:** Ideal in pairs to flank bathroom mirrors, anchor entryways, or line hallways and dining rooms.

Please note – product colour variances

Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this when ordering.

E2 Contract Lighting specialises in the manufacture of bespoke lighting solutions for our

clients. If you can't find what you need on our website. Contact our [Sales Team](#) who will work with you to create your ideal contract lighting solution.

Please note that this product is manufactured to order. Our current lead times mean that this product will be out for delivery 4 weeks after payment is confirmed. In the event that you wish to return this item, our made to order products are subject to a minimum 30% return fee. See our [Returns](#) page for more detail.
