PRODUCT DESCRIPTION

The **Single Globe Linear Ceiling Light** combines minimalist geometry with warm, inviting illumination to create a striking focal point. Featuring a sleek, elongated steel back-plate paired with a luminous glass globe, this versatile fixture delivers a balanced aesthetic that effortlessly complements contemporary and modern residential or commercial schemes.

Key Features

- **Sleek Linear Design:** An elongated metal silhouette creates a clean, architectural profile on any ceiling.
- **Ambient Illumination:** Topped with a classic globe diffuser that casts a soft, even glow across your space.
- **E14 Lamp Holder:** Equipped with a standard E14 bulb fitting, compatible with energy-efficient LED lamps.
- **Durable Construction:** Expertly engineered from high-quality steel for long-lasting durability and a premium feel.

Available Finishes

Tailor the fixture to match your design vision with three distinct, meticulously applied finishes:

- **Sprayed Black:** Offers a bold, modern, and high-contrast look ideal for industrial or minimalist interiors.
- **Custom RAL Colour:** Contact our [Sales Team](#)

Ideal Applications

Designed to make a statement wherever it is placed, the Single Globe Linear Wall Light is perfectly suited for:

- Enhancing boutique hotel rooms, restaurants, and upscale dining spaces
- This Single Globe Linear Ceiling Light can also be utilised as a flush Wall Light

Please note – product colour variances

Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this when ordering.
