PRODUCT DESCRIPTION

TWIN ARM SOLID BRASS WALL LIGHT WITH 165MM PRISMATIC CONE SHADES

Add a touch of timeless elegance to interiors with our **Twin Arm Solid Brass Wall Light**,

beautifully paired with two 165mm prismatic cone glass shades.

Designed with a classic twin-arm configuration, this wall light combines traditional craftsmanship with a refined architectural aesthetic, making it an ideal choice for both period and contemporary interiors.

Crafted from **solid brass**, the fitting features gracefully curved twin arms that extend from a substantial circular wall plate, creating a balanced and distinctive silhouette. The clear prismatic cone shades feature fine vertical ribbing, beautifully diffusing the light while adding texture and character to the fitting.

The wall light is supplied with **E22 / BC lamp holders**, providing flexibility when selecting decorative or LED lamps to achieve your desired atmosphere.

Available in a choice of **Antique Brass, Polished Brass, Satin Brass, Bronze or Pewter**, the fitting can be specified to complement a wide range of interior schemes, from classic hospitality and residential projects to boutique hotels, restaurants and commercial spaces.

Key Features
