PRODUCT DESCRIPTION

Twin Arm Solid Brass Wall Light with Glass

Bring timeless elegance and refined character to interiors with this beautifully crafted **Twin Arm Solid Brass Wall Light**. Featuring a graceful, flowing double-arm design and traditional solid brass detailing, this statement wall light combines classic craftsmanship with versatile contemporary appeal.

The distinctive symmetrical arms extend from a central wall plate, creating an elegant silhouette that works beautifully in both traditional and modern interiors. Each arm supports a decorative lamp holder and shade gallery, allowing the fitting to be paired with either **clear prismatic glass shades** for a crisp, architectural appearance or decorative **fabric lampshades** for a softer, more decorative look.

Crafted with attention to detail, the wall light's curved brass arms and stepped detailing create a sophisticated, handcrafted aesthetic. Ideal for use in **hotels, restaurants, boutique interiors, bedrooms, hallways and living spaces**, this versatile double wall light provides both functional illumination and decorative impact.

Available in a selection of metal finishes, the fitting can be tailored to complement a wide range of interior schemes, from heritage and vintage-inspired spaces to contemporary luxury environments.
