PRODUCT DESCRIPTION

Renovate your space with the 3 Light Brass and Fabric Shade Pendant, a masterclass in understated elegance.

This fixture features a striking wide-profile **natural linen shade** that diffuses light into a soft, ambient glow, perfect for creating a warm and inviting atmosphere.

The shade is supported by a refined **vintage brass-plated frame**, characterized by its unique triple-hooked suspension rods. These decorative hooked arms connect to a central circular gallery, giving the piece a subtle industrial-meets-French-cottage aesthetic.

Key Features:

- **Warm Material Palette:** The pairing of 100% natural linen and aged brass provides a rich, tactile contrast that complements diverse color schemes.
- **Three-Light Array:** Houses three E14 candle-style bulbs, offering ample illumination for dining tables, kitchen islands, or master bedrooms.

- **Architectural Suspension:** Instead of a standard chain, the fixture uses three slender metal rods with hook-and-eye details for a clean, curated look.
- **Adjustable Height:** The suspension can be adjusted during installation to suit your ceiling height or furniture placement.
