## PRODUCT DESCRIPTION

This elegant Brass Stem Wall Light combines modern minimalism with timeless sophistication. Featuring a sleek, cylindrical opal fabric shade that softly diffuses light, it creates a warm and inviting glow perfect for bedrooms, living rooms, hallways, or reading nooks.

The striking vertical stem is crafted from solid brass with a rich, warm finish and features a distinctive segmented, bamboo-inspired design. This sculptural detail adds visual interest and texture while maintaining a clean, contemporary silhouette. The circular wall plate and

adjustable arm ensure both stability and a refined presence on any wall.

**Key Features:**

- Cylindrical white fabric shade with gold interior reflector for enhanced light output
- Solid brass construction with a luxurious antique brass
- Unique segmented stem design
- Elegant wall-mounted design ideal for both classic and modern interiors
- Perfect for bedside lighting, living areas, or decorative accent lighting

A beautifully crafted piece that balances form and function, this wall light makes a sophisticated statement while delivering practical, ambient illumination.

**Please note - product colour variances**
**Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this when ordering.**
