PRODUCT DESCRIPTION

Elevate your space with the stunning **6 Light Fan-Shaped Shade Pendant**, a sculptural lighting masterpiece that blends modern elegance with organic warmth. Featuring a luxurious aged gold or matt black finish, this large-scale circular chandelier showcases a bold double-ring frame gracefully suspended by slender black cables.

The design is defined by **12 intricately pleated, fan-shaped shades** crafted from a soft, textured material in a neutral cream/beige tone. These organic, origami-like elements radiate outward in a dynamic arrangement — some pointing upward and others cascading downward — creating beautiful depth, movement, and dimension from every angle.

Key Features:

- **Dimensions**: Generous size perfect for dining areas, living rooms, foyers, or open-concept spaces.
- **Finish**: Rich Aged Gold or Matt Black metal frame with sophisticated matte accents.
- **Style**: Contemporary, Japandi-inspired, and bohemian-luxe — a true statement piece.
- **Light Effect**: Delivers warm, diffused illumination with dramatic shadows and highlights created by the pleated shades.
- **Bulb Compatibility**: Uses multiple G9

Whether hanging above a grand dining table or in a high-ceilinged entryway, the 6 Light Fan-Shaped Shade Pendant transforms any interior into a refined, artistic environment. Its harmonious mix of metallic sheen and soft textures makes it an ideal focal point for both minimalist and eclectic interiors.

Please note – product colour variances
Due to quality variances between different monitors and the use of studio lights, the colour

that appears on your screen may differ from the physical product. Please be aware of this when ordering.
