PRODUCT DESCRIPTION

The **Champagne & Alabaster Wall Light** blends warm metallic tones with the organic beauty of genuine alabaster stone. As light filters through the translucent stone panels, it creates a subtle, diffused glow that highlights the natural veining unique to every piece.

Designed with vertical structural ribs in a champagne finish, this fixture casts soft illumination upwards, downwards, and through the front face. Its IP44 ingress protection guarantees safe installation in humid environments like bathroom zones, while its refined profile feels equally at home in boutique living rooms or bedside spaces.

Key Features

- **Natural Alabaster Slabs:** Each light features unique stone patterning and natural translucency for a bespoke finish.
- **Warm Champagne Finish:** Elegant metallic framing adds modern warmth without being overly reflective.
- **Bathroom Safe (IP44):** Rated for protection against splashes and moisture—suitable for bathroom Zone 2 as well as dry interior spaces.
- **Dual Light Output:** Holds two G9 lamp fittings to deliver balanced light distribution across the fixture.

Technical Specifications

- **Fitting Type:** Wall Mounted (Hardwired)
- **Lamp Holder:** 2 x G9 (Bulbs not included)
- **Max Wattage:** 5W LED per lamp (recommended)
- **IP Rating:** IP44 (Suitable for Bathroom Zone 2)
- **Material:** Natural Alabaster Stone & Finished Steel
- **Finish:** Warm Champagne
- **Dimmable:** Yes (subject to lamp choice and dimming switch setup)

Please note – product colour variances
Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this when ordering.
