PRODUCT DESCRIPTION

The Six Light Globe Pendant is a contemporary statement piece that brings together sculptural form and soft illumination. Featuring a circular metal frame suspended elegantly from fine cables, the design showcases six beautifully ribbed opal glass shades arranged around the ring, creating a balanced and harmonious silhouette.
The textured glass globes diffuse light gently, producing a warm and inviting atmosphere while adding visual depth and sophistication.

Designed to command attention without overwhelming a space, the Six Light Globe Pendant is ideal for dining areas, living rooms, hotel lounges, and commercial interiors where both decorative impact and functional lighting are essential. Its clean geometry and refined material palette make it a versatile choice for contemporary, Scandinavian, and modern-luxury settings.

Key Features

- Contemporary circular chandelier-style pendant
- Six ribbed opal glass globes for soft, diffused illumination
- Elegant suspended ring structure with minimalist detailing
- Available in Matt Black with brown leather or Aged Gold with Brown leather
- Creates a striking focal point while maintaining visual lightness
- Perfect for dining rooms, living spaces, hospitality environments, and high-ceiling interiors

Design Style: Contemporary / Modern
Materials: Metal frame, ribbed opal glass shades, decorative wood-effect accents
Application: Residential and commercial interiors

Designer Insight: The Six Light Globe Pendant balances simplicity and sophistication, using repeated spherical forms and subtle textural contrasts to create a timeless lighting feature that feels both modern and inviting.

Please note – product colour variances
Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this when ordering.
