PRODUCT DESCRIPTION

Elevate your interior lighting with this premium solid brass spotlight, designed for both wall and ceiling mounting. Crafted from high-quality solid brass with a beautiful brushed finish, this timeless fitting adds warmth and sophistication to any space.

Perfect for task lighting or accent lighting, its directional head allows you to highlight artwork, architectural features, or reading areas with precision. The compact, contemporary design makes it ideal for modern, industrial, and transitional interiors alike.

Key Features:

- Material: Solid brass with brushed finish for durability and style
- Mounting: Suitable for both wall and ceiling installation
- Adjustable head: Direct the light exactly where you need it
- Finish: Elegant, warm bronze and brass tone that resists tarnishing

- Application: Ideal for living rooms, hallways, kitchens, and bedrooms

Add a touch of understated luxury and practical lighting to your home with this versatile brass spotlight.
