PRODUCT DESCRIPTION

Vintage Solid Brass Wall Light

Elevate your space with this striking industrial-vintage solid brass wall light. Featuring a warm antique brass finish, this elegant wall light combines timeless charm with modern functionality.

The design showcases a solid brass wall mount and a gracefully curved brass arm that extends

outward, supporting a large, cylindrical clear glass shade. Inside, a beautifully exposed filament bulb (sold separately) creates a warm, ambient glow that highlights the intricate filament details through the transparent glass—perfect for adding character and sophistication to any room.

Key Features:

- Solid brass construction with an aged/antique brass finish, also available in – Antique Brass (as shown), Light Antique Brass, Polished Brass, Satin Brass, Bronze and Pewter.
- Clear cylindrical glass shade for a clean, minimalist look, **(Available with a selection of different glass shades.)**
- Sturdy wall-mounted design with elegant curved arm
- Ideal for bathrooms, hallways, bedrooms, living rooms, or above mirrors and vanities

Whether you're designing a modern industrial interior, restoring a period home, or simply looking for a statement lighting piece, this vintage-inspired brass wall light delivers both durability and distinctive style.

Please note - product colour variances
Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this when ordering.

E2 Contract Lighting specialises in the manufacture of bespoke lighting solutions for our clients. If you can't find what you need on our website. Contact our Sales Team who will work with you to create your ideal contract lighting solution.
