PRODUCT DESCRIPTION

80cm Brass and Glass Rod Chandelier

This striking modern Glass Rod Chandelier features a bold circular silhouette crafted from premium brass and clear glass.

Suspended from a sleek brass ceiling canopy, the fixture showcases two tiers of shimmering glass rods arranged in a dense cylindrical formation. A wide brushed brass band encircles the center, providing beautiful structural contrast while holding the rods securely in place.

Measuring 80cm in diameter, the chandelier creates a dramatic focal point with its cascading glass elements that catch and refract light from every angle. The transparent glass rods produce a sophisticated interplay of sparkle and soft diffusion when illuminated, making the piece equally stunning whether lit or unlit.

Key Features:

E2 Contract Lighting
