PRODUCT DESCRIPTION

Introducing our new Adjustable Hexagonal Brass Directional Spotlight.

The Adjustable Hexagonal Brass Directional Spotlight combines timeless design with practical functionality. Crafted from high-quality brass with a distinctive hexagonal shade, this spotlight

adds a refined industrial touch to any interior. The fully adjustable head allows you to direct light exactly where it's needed, making it ideal for highlighting artwork, architectural features, or task areas.

Designed for versatility, this brass directional spotlight works beautifully in living rooms, kitchens, hallways, and bedrooms. Its warm metallic finish complements both modern and vintage décor styles, while providing focused, atmospheric illumination. A stylish and durable lighting solution that delivers precision lighting with elegant character.

E2 Contract Lighting specialises in the manufacture of bespoke lighting solutions for our clients. If you can't find what you need on our website, contact our [Sales Team](#) who will work with you to create your ideal contract lighting solution.

Please note that this product is manufactured to order. Our current lead times mean that this product will be out for delivery 4 weeks after payment is confirmed. In the event that you wish to return this item, our made to order products are subject to a minimum 30% return fee. See our [Returns](#) page for more details.
