PRODUCT DESCRIPTION

Add a touch of timeless elegance to your interior with this Wall LED Light in Alabaster and Bronze. Designed with both style and efficiency in mind, this fixture features a built-in 19W LED module that emits a warm 3000K glow—ideal for creating a soft, ambient atmosphere in any room. The bronze-finish metal base adds a refined touch, while the natural alabaster shade gently diffuses the light, offering a warm and inviting feel. Perfect for hallways, bedrooms, living spaces, or hospitality settings, its understated design blends effortlessly with both contemporary and classic interiors. With its high-quality materials, low energy consumption, and artisanal look, this wall light brings a balance of functionality and decorative charm to your space. Suitable for

E2 Contract Lighting

SPECIFICATION SHEET

indoor use only (IP20 rated), it's a stylish and lasting lighting solution for homes or commercial environments.
