### PRODUCT DESCRIPTION

#### **Bronze Glass Rod Chandelier**

This stunning drum-style Bronze Glass Rod Chandelier features a rich bronze finish and a captivating cascade of hand-strung clear glass rods that create beautiful light refraction and movement.

Suspended by slender aircraft cables, the chandelier showcases a double-tiered circular frame with vertical glass rods forming a shimmering, fringe-like curtain around the warm integrated light source.

The combination of the warm metallic bronze tones and the luminous glass rods produces a sophisticated ambient glow, perfect for dining rooms, living spaces, entryways, or bedrooms. Its modern yet timeless design adds texture, depth, and elegance to any interior.

#### **Key Features:**

# E2 Contract Lighting

## SPECIFICATION SHEET

- Premium bronze metal frame
- Clear glass rod detailing
- Height-adjustable aircraft cable suspension
- Dramatic 360-degree light diffusion

A striking centerpiece that blends contemporary style with luxurious materials.

**Please note - product colour variances**

**Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this when ordering.**
