PRODUCT DESCRIPTION

Our contract-grade table lamp is perfect for high-traffic areas, while the opal diffusers offer a cosy glow without any glare. The solid metal base keeps the table lamp from being knocked over and the finish of the metal shade adds colour and texture to your space.

As part of our Hotel range, this contract-level table lamp is available in large quantities on shorter lead times. This lamp is also available in different colours and finishes, so please contact us to discuss what your project needs.

E2 Contract Lighting specialises in the manufacture of bespoke lighting solutions for our clients. If you can't find what you need on our website, contact our [Sales Team](#) who will work with you to

create your ideal contract lighting solution.
