PRODUCT DESCRIPTION

Industrial Bronze Dome Pendant Light

This striking **vintage-inspired industrial pendant** features a robust, large-diameter metal dome shade with a beautiful aged bronze finish.

The distressed patina gives it authentic character and warmth, making it perfect for adding timeless industrial charm to any space.

The Industrial Bronze Dome Pendant Light is offered in two configurations — the first featuring a 400mm Railroad Glass shade with a prismatic globe within the Railroad Glass for enhanced light diffusion and the second featuring only the 400mm Railroad .

Key Features:

- **Dome Design:** Classic wide bell-shaped metal shade that directs light downward while providing excellent ambient illumination.
- **Ribbed Glass Diffuser:** Elegant fluted/prismatic glass inner shade that softens the light, reduces glare, and creates a warm, inviting glow.
- **Vintage-Style Bulb:** Compatible with Edison or antique-style bulbs E27, enhancing its retro appeal when lit.
- **Heavy-Duty Chain Suspension:** Comes with a sturdy decorative metal chain for adjustable hanging height, ideal for high ceilings, kitchen islands, dining tables, or commercial spaces.
- **Finish:** Hand-applied aged bronze with subtle variations that highlight the metal's texture and craftsmanship.

Please note - product colour variances

Due to quality variances between different monitors and the use of studio lights, the colour that appears on your screen may differ from the physical product. Please be aware of this

when ordering.
