### PRODUCT DESCRIPTION

This range of 3D printed shades are made from bioplastics and recycled pine cellulose; seamlessly combining technology, nature and sustainability into a stunning and elegant design. Each shade has a random finish, giving it an artisan feel and making it the perfect blend of organic and synthetic.

E2 Contract Lighting specialises in the manufacture of bespoke lighting solutions for our clients. If you can't find what you need on our website, contact our [Sales Team](#) who will work with you to create your ideal contract lighting solution.
